celebrating you

This is a pamper session,
a girls day out and a
perfect reason to
celebrate everything
about you. For women
of all ages and the
people who love them.

Begin your photoshoot with fresh
beverages and munchies while
being pampered with a professional
makeover including hair and make-
up. Relax and enjoy your 'me' time
by yourself, or even better share it
with a best friend, sister, daughter,
or your mum because let's face it,
everything is better shared.

**"BEAUTY IS NOT ON THE OUTSIDE IT'S SOMETHING
THAT SHINES OUT FROM INSIDE YOU."**

"We believe that all women are beautiful. It's no secret that when we feel beautiful on the outside, we feel more beautiful on the inside, but in reality true beauty shines from within. We know what true beautiful looks like and we can find it in every woman".

**WE INVITE YOU TO A PERSONAL SESSION WITH US TO
LET YOUR BEAUTIFUL SHINE!**

it will change the way you see yourself.

what to expect

before

Together we decide on a date for your photo experience, and then we make a time to plan your photoshoot with an over the phone design session. We will discuss how you want to be photographed, the “what to wear and bring’ details, as well as our products and pricing. We help you through all of that and also help you decide if this is just for you or if you want to share the experience with those you love.

Do you like big flowy dresses or something more simple or elegant? We want you to be yourself and let your beautiful shine through while being pampered and feeling like a model for the day! You will be talking about this experience for years to come. It’s an experience you will never forget!

during

You and a friend (more people can be added - see pricing page) will start with having your hair and makeup done in our studio by our professional makeup artist. This is the time to relax and enjoy being pampered! We will then help style you in the clothing and accessories you have chosen to bring (usually 4-5 outfits) and pieces from our studio. You will look and feel amazing!

We will create individual photographs of each of you in each of your outfits as well as group photographs. This can take 3-5 hours depending on how many people you bring with you and so we also provide fresh beverages and finger food for you to enjoy. Bring along your favourite play list, crank up the music and have fun being a model for the day!

If you want to bring in your family, children, or partner at the end of your session we are also happy for you to have some photographs with them.

This is where we will create some amazing memories!

after

After your photoshoot we will work our magic creating beautiful portraits for you!

We will schedule a time for your photo viewing usually about 1-2 weeks after your photoshoot where you get to come back and relive your experience and choose the portraits you want to own.

‘THE BEAUTY OF YOU DELIGHTS ME. THE SIGHT OF YOU AMAZES ME.
FOR THE PEARL DOES THIS . . . AND THE OCEAN DOES THAT.’

testimonials

Maxine A

how her experience made her feel...

"I have been avoiding the camera for years. Always photographing my babies and never putting myself in front of the camera. After I saw my portraits I just sat and cried. I never felt more beautiful in my life."

Kate L

when asked about her favourite photo...

"Oh, wow. Too many to choose from but in general I have to selfishly say my portraits because you made me look so glamorous and I felt beautiful. This has given me a huge confidence boost in so many areas in my life going forward".

Gennene S

what she learned about herself...

"I don't always feel beautiful, I just thought I looked nice. These photos have proved that I do look beautiful and that my husband is telling me the truth".
